FROM OUR PRESIDENT

Team CWGA

Hello and welcome to a fresh new 2011 season with the Career Women's Golf Association. If you weren't aware we have new representation at the leadership table and we've put together some exciting, new programs for this season.

I am a beginner, but am diggin the sport. My last sport was rugby, with Norfolk 'Storm'. I am turned on by golf's soft serenity, the "slap" behind the power of that stroke. Hope to talk and play with all of you as the season progresses.

As President, let me assure you that I am surrounded by women whose interest at heart is CWGA. If you have questions, concerns, or suggestions please feel free to talk to me or any other board members.

Kim Fleming
President
CWGA 2011

TEAM CWGA WOULD LIKE TO GIVE A HAPPY BIRTHDAY TO:

Lilli Ann Shouldis

Look for special recognition in your Birthday month.

CWGA PRIZE NITES

The Prize Nite themes and end of play meals are changing. CWGA board members have decided to offer hot hor d'ouvers, possibly a \$3.00 drink ticket and other snacks before and after play on Prize Nite for members only.

Prize nights will continue to be held every 3rd Tuesday of each month.

There is specific format of play, scores are kept and prizes are awarded at the end of play as follows:

Highest score (own ball)

Highest score (best ball team)

Longest Drive (age appropriate)

Closest to the pin

SPECIAL RAFFLE

OGIO LADIES FEATHERLITE GOLF BAG!!!

\$3:00 one ticket

\$5:00 for 2 tickets

\$130:00 value

**See: Mary Carol or
Lisa**

Charity Event

CWGA will not be hosting a charity event this fall. These events are not a part of the CWGA mission and have proven to be very labor intensive.

We are pleased that Honey Bee Golf Course will continue to contribute \$1 to the Susan G. Koman fund for each CWGA member playing on Tuesday evenings so be sure to have your member card swiped!

TIPS FROM THE PRO!!!

MISSING PUTTS CONSISTENTLY RIGHT OR LEFT

This may be caused by the position of your eyes over the ball.

If your eyes are inside the target line to the cup, it can make your putts go consistently to the right. If your eyes are outside the target line, it can make your putts go consistently left.

To make sure your eyes are directly over the ball, where they should be, take your putting stance with a ball you are ready to putt. Then drop a ball from your eyes. It should land right on the ball you are **PART OF SENTENCE IS MISSING HERE.**

Laws Of Golf

LAW 1: No matter how bad your last shot was, the worst is yet to come. This law does not expire on the 18th hole, since it has the supernatural tendency to extend over the course of a tournament, a summer and, eventually, a lifetime.

LAW 2: Your best round of golf will be followed almost immediately by your worst round ever. The probability of the latter increases with the number of people you tell about the former.

LAW 3: Brand new golf balls are water-magnetic. Though this cannot be proven in the lab, it is a known fact that the more expensive the golf ball, the greater its attraction to water.

LAW 4: Golf balls never bounce off of trees back into play. If one does, the tree is breaking a law of the universe and should be cut down.

LAW 5: No matter what causes a golfer to muff a shot, all his playing partners must solemnly chant "You looked up," or invoke the wrath of the universe.

LAW 6: The higher a golfer's handicap, the more qualified he deems himself as an instructor.

LAW 7: Every par-three hole in the world has a secret desire to humiliate golfers. The shorter the hole, the greater its desire.

LAW 8: Topping a 3-iron is the most painful torture known to man.

LAW 9: Palm trees eat golf balls.

LAW 10: Sand is alive. If it isn't, how do you explain the way it works against you?
